Dear Fellow Servants of Christ,

We had a successful Bethel Baptist Association Summer camp last week. I want to express my gratitude to those individuals and churches that made the week of camp possible. I would encourage others to make every effort to take advantage of our local summer camp as it could be even better with your participation.

I continue to be amazed at the local, national, and international missions that the churches in Bethel Association support and are actively involved in. Praying God will continue to use us in an even greater way in missions and in ministry. I want to thank the churches that gave so we could have a Bethel Baptist Associational Disaster Relief Laundry trailer. We still have need for additional funds to finish the project. We also need people to volunteer to pull trailer to the area of need and return it after it is no longer needed. Training for the Disaster Laundry Trailer will be held in the Southwest Georgia area next spring. Anyone can be a part of this new ministry – senior adults, families with children, youth with their leaders etc.

I want to encourage each church to consider giving at least four percent of their undesignated receipts so our association can do even more ministry and missions. I appreciate all you do in your cooperation to make our work possible. We can do more together!

Remember we have an opportunity locally to learn about suicide prevention as well as how to discern the causes of this horrible problem. It is on September 9th @ 9 at Byne Memorial, Albany.

Please contact me if I can assist you in any way. God bless you!

Serving Christ by Serving You,

Bro. Jim
