Dear Bethel Baptist Association,

June is here and Vacation Bible Schools are beginning! VBS is or should be the greatest week of the church year, we have the privilege to impact unchurched children, youth and even adults with the Gospel message. I hope to be able to visit each VBS at least once during the week. If I can be of any assistance with VBS please give me a call. I am already looking forward to hearing about the decisions that will come from your efforts in VBS.

On the summer note, we were forced to cancel the Summer Camp for this year due to lack of registrations. I know churches have their own summer camps, but this is a local camp that any family should be able to afford with the cost of only \$85 for overnight campers. We can possibly have a back to school family day at Camp Hicita, but only if I hear from our churches that are willing to participate. Let me know and give me input on a Saturday that would work best.

I hope to have the Disaster Relief Trailer finished and back in our association in the next week or so. I would like to park the trailer at BBA churches to build interest in and support for Disaster Relief. As I write this article we have BBA volunteers down in Tallahassee doing clean up and recovery in the aftermath of the tornado damage of last week. Please consider being trained for Shower and Laundry units. Cleanup and Recovery, or a Feeding Team. DR is a great ministry that makes a lifelong impact on those ministered to and those that minister.

May God bless each of our churches with a summer surge not a summer slump!
Pray for our churches that are seeking pastors to lead them to greater missions and ministry.

One final word concerning the newsletter, the price for bulk mail is going up again and the non profit fee is also. Starting July we will have the newsletter on the website, we can email it to you (if you send your email address), mail it to you (if you request) or better yet have your church print it and make it available at your church.

May God Bless You All,

Bro Jim

Please continue to pray that God would meet the needs of the **Welcome Home building project**, a new ministry of **Rehoboth Ranch Ministries**. Welcome Home will be home to local foster kids in need of a loving family environment and will be located on two acres at the Rehoboth Ranch Property, which is on Country Club Rd. Edison GA.
